Austria

Austria, officially the Republic of Austria, is a landlocked country of roughly 8.3 million people[3] in Central Europe. It borders Germany and the Czech Republic to the north, Slovakia and Hungary to the east, Slovenia and Italy to the south, and Switzerland and Liechtenstein to the west. The territory of Austria covers 83,872 square kilometres (32,383 sq mi). Austria's terrain is highly mountainous due to the presence of the Alps; only 32% of the country is below 500 metres (1,640 ft), and its highest point is 3,797 metres (12,457 ft). The majority of the population speaks German,[7] which is also the country's official language
